An application for a federal law enforcement officer or an attorney for the government requests the search of the following person or property located at: _____ District of _____
(Identify the person or describe the property to be searched and give its location)

Officers are typically only allowed to search the person or property described here, nothing more

I find that the affiant(s), or any needed testimony, establish probable cause to search and seize the person or property described above, and that such search will reveal things in the person or describe the property to be searched.

The search can only be executed at the time indicated here

YOU ARE COMMANDED to execute this warrant on or before _____
 In the District of _____ on _____

Pursuant to 18 U.S.C. § 3103(a)(3), I find that immediate notification may be an adverse result (under 18 U.S.C. § 3703) (except for delay of trials), and unless the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (and the supervisor here) _____
